I think that this book is extremely useful for learning the French languageBy Brett BellI think that this book is extremely useful for learning the French language. It provides an introduction to the concept, then a variety of repetitive activities which solidify your understanding of the concept. It is a fairly lightweight book, especially when compared to other college textbooks. I don't mind carrying it around. It's softcover so it is easy to flip through as well. I ordered new from and it came with no damage. There were no issues as always.1 of 1 people found the following review helpful. which is great. It's a very manageable size, which is great.My main problem is that after 1 month of use the book is falling apart. The pages are separating from the binding in several places, and several of my classmates are having the same trouble.0 of 0 people found the

following review helpful. Veru useful!By Daniel DuncanVery useful French language review..Beginswith basics and proceeds to comples constructions.Quizzes with solutions in an appendix.

McGraw-Hill World Languages is pleased to include Reprise (which was originally published by the National Textbook Company) among our titles for the Intermediate French course. This single volume textbook, now in its second edition, provides a comprehensive grammar review. Ideal as a stand-alone text for intermediate grammar review courses or used in conjunction with a separate literary or cultural reader, Reprise reviews and refines students knowledge of French grammar; it is also suitable as a grammar reference for students at all levels.
