Catherine Burr : Resume Building and Interviewing Skills: Flying High on the Job Search before purchasing it in order to gage whether or not it would be worth my time, and all praised Resume Building and Interviewing Skills: Flying High on the Job Search:

Format Paperback Subject Business Economics Careers Publisher Xlibris Corp

About the Author Catherine is a Doctoral Student in Management and is immersed in transformational leadership and adult learning principles. As a 26-year veteran in training, sales and management, she has developed skills which have allowed her to aid friends and colleagues in a successful job search. Her interests include ballroom dance, golf and traveling with best friend and husband, Tom. Her many roles in life include wife, mother, floutist and active member in the community.
