John Singer : Resume DNA: Succeeding in Spite of Yourself before purchasing it in order to gauge whether or not it would be worth my time, and all praised Resume DNA: Succeeding in Spite of Yourself:

0 of 0 people found the following review helpful. Great book full of helpful information By Kate Great book full of helpful information. I very much enjoyed the humor. Would recommend this book to anyone who is on the job market. 1 of 1 people found the following review helpful. Nailed it! So right on and fun to read as well! By Susan R. Howington I LOVE this book! John Singer is brilliant! There is so much to know about how to write a great resume

and about how to conduct a productive job search and John does a beautiful job breaking it down and giving spot on, practical advice. And oh yes, John's writing style is entertaining too! I laughed out loud! I will recommend that all of my clients in career transition read this book and keep it on their career management bookshelf. 1 of 1 people found the following review helpful. Great Read for all whether you are Seeking for a ...By ChrisGreat Read for all whether you are Seeking for a Job or Not..... Chris Laughter, VP Client Services, First Sun Consulting, LLC

For every position that interests you there are dozens, possibly hundreds of applicants. You need to make yourself stand out -- but how? *Resume DNA: Succeeding in Spite of Yourself* is a practical blueprint for navigating your way through a complicated, competitive job market. You'll learn to identify the qualities that distinguish you from your competition, write cover letters and resumes that demonstrate why you're a good fit, deliver an opening statement that enables you to control the interview, work your network and pilot a proactive search in the "unpublished" job market, and much more. With humor and warm encouragement, *Resume DNA: Succeeding in Spite of Yourself* reminds you of what you've already accomplished . . . and teaches you how to leverage those accomplishments as you make your way up the career ladder.
