0 of 0 people found the following review helpful. Easy to readBy Hanna DeBruhlThis an easy to read book with specific examples to help you make the best resume possible. Great for all ages0 of 1 people found the following

review helpful. Helpful and easy to follow
By Kathy Wilks
This book was easy to follow and it guided me through the whole process in a way that made sense. It provided examples that were extremely helpful and allowed me to write a resume that stands apart from the norm. I would definitely recommend this for anyone who needs to write a resume and wants to do it really well.
0 of 1 people found the following review helpful. Very Helpful!
By Eric Kuestner
This book was such a help. It gave me everything I needed but without being way too long and drawn out. It was to the point and full of examples that helped me write my resume easily and quickly. I even have a couple interviews lined up now!

Having an outstanding resume will make all the difference in your job search! This book will give you the resume help you need so that you can either write your own using the resume tips, resume templates, resume outline and resume samples provided in this book, or outsource the work with the advice provided about professional resume help and the resume builder online. Plus, get additional tips on the best resume format, the resume objective and sample cover letters.
