**Yana Parker : Resume Pro: Make Money Writing Resumes** before purchasing it in order to gage whether or not it would be worth my time, and all praised Resume Pro: Make Money Writing Resumes:

0 of 0 people found the following review helpful. A Must Read for Any Resume ProfessionalBy CustomerYana Parker's book: "Resume Pro: The Professional's Guide," though it has a copyright of 1993, is still very relevant for today's Resume Writing Professional or for anyone planning to start up their own home based resume writing service.. This is a terrific how-to guide, using Yana Parker's expert techniques, tips and guidance even a novice job hunter can benefit! Yanna Parker has a great sense of humorous, which turns a dull topic into a fun read. Throughout the book there are real life stories, written by the up and coming Resume Professionals. I loved the different resume templates! This is a fine book and I highly recommend it!1 of 1 people found the following review helpful. Dated materialBy J. CraigThere is some useful information, but a lot of it is dated. The problem is, there are very few books on starting a

resume writing business, so beggars can't be choosers! 5 of 5 people found the following review helpful. Excellent Resource! By Mary Yana's "Resume Pro" is a great resume writing business guide resource for both "newbies" and "oldsters" alike! I was a seasoned writer when I first read this book...and yet I found numerous helpful ideas and suggestions. Simply a "must have" for the beginning resume writer's library! -Mary Roberts, CPRW

Written for job seekers and counselors alike, a comprehensive guide to writing a professional resume reveals how to write a resume that is perfectly tailored to the individual's background, experience, and personality. Original.

From Library Journal This witty and engaging how-to manual will appeal not only to those running resume - writing services but also to the throng of job seekers constantly looking for clever ways to market themselves to potential employers. Resume-writing maven Parker ( *The Damn Good Resume Guide* , Ten Speed Pr., 1989) has combined such practical advice for professional resume writers as how to calculate fees and how to market themselves with a host of tips designed to aid both writers and their clients. Parker counsels white-collar workers as well as more neglected populations, such as immigrants, the homeless, and prison inmates. Advice from resume writers and job counselors and a plethora of sample resumes round out this fine book. Recommended for both small business and general career-services collections. - M. Uri Toch, P.L. of Cincinnati Cty. Copyright 1993 Reed Business Information, Inc.
