Barbara Bowes : Resume Rescue: Essential resume saving techniques before purchasing it in order to gage whether or not it would be worth my time, and all praised Resume Rescue: Essential resume saving techniques:

1 of 1 people found the following review helpful. Resume RescueBy Edna A. MattsonDuring the authoring of a chapter on career planning in a textbook, I could have used this book as a reference. The sub-title accurately reflects the value of book, "A must-have for anyone serious about managing their career". It provides a systematic guide through assessing one's strengths and limitations, presenting the applicant's fit with the employment potential in the work environment.Edna Harder Mattson, RN, BN, BA(CRS), MDE, Doctoral Student in Education

A must-have for anyone serious about managing their career! What makes this book unique is the focus on specific skills which is useful for individuals who are interested in different positions using a comparable skill set. Barbara Bowes is President of Legacy Bowes Group and an authority on human resources. She is a Certified Management

Consultant, (CMC), a Certified Human Resource Management Professional (CHRP- Fellow) and holds a Master of Administration in Education. She is a highly recognized career columnist and radio show host. She is a popular speaker able to inspire a variety of audiences, speaking on topics including human resources, career management, women in leadership and leadership effectiveness.
