Wendy Enelow : Resume Winners From the Pros: 200 of the Best From the Professional Association of Resume Writers before purchasing it in order to gage whether or not it would be worth my time, and all praised Resume Winners From the Pros: 200 of the Best From the Professional Association of Resume Writers:

8 of 10 people found the following review helpful. A Terrific ResourceBy Gayle HowardAs a Professional Resume Writer myself, I use this book as my No.1 reference guide. It has served not only to provide solid examples, but shows different approaches for the one type of occupation, giving you an idea of the ranges of different styles and formats that can be applied. Its easy to find index allows you to source information easily and foreword and instruction for

DIY writers are pearls of wisdom from a leader in the resume writing profession. Good for DIY'ers or as a resource for professional writers for inspiration.

Fabulous collection of the best of the best resumes from America's best of the best resume writers!

Excerpt. Reprinted by permission. All rights reserved. Chapter 1: Those who win in the "resume writing game" are those who successfully integrate core marketing strategies into their resumes and job search campaigns. Paint the picture you want your reader to see! Your objectives when preparing your resume are to: **GENERATE INTEREST AND GET AN INTERVIEW!** Resumes do not get jobs! Consider the strategy behind your resume (aka - your current career objectives) to determine which achievements to include, where when and how. Be a winner!
