James Curtis : Resume Writing 2016: Get the Job You Actually Want-An Ultimate Guide on Resume W before purchasing it in order to gage whether or not it would be worth my time, and all praised Resume Writing 2016: Get the Job You Actually Want-An Ultimate Guide on Resume W:

2 of 2 people found the following review helpful. Huge Positive Change In FormattingBy DarrinI hadn't created a

resume for about 12 years, and decided it was time for an update with a recent job search. I was surprised how many changes there were to simple things like formatting there had been in this relatively small amount of time. I think the information in this book helped me land my new job, that I will hopefully retire from. 1 of 1 people found the following review helpful. Great reference book for job hunters! By Gray Adams This book contains a lot of information about content and format of resumes. It starts by encouraging the reader to find his or her own personal brand, so that it can shine through on the resume. Then, author discusses the differences between a chronological resume and a functional resume and provides suggestions about when each type of resume would be helpful. Great reference book for job hunters. Whatever industry, educational level or experience you have as an applicant, you will find the most effective way to present your resume with this book. 1 of 1 people found the following review helpful. Job hunting! By Brianna Denise Krooberg This is the most updated resume writing I ever have. I like it so much and I can use this on my job application. I'm sharing this to my brother also who needs the updated way of writing a resume. I love Chapter 8 too of this book. Preparing for interview. I consider every interview a first one but of course learning from the past. Thanks James Curtis
