Definitely helpful for job seekers By Dartania Wong My son is on job hunting this week and I was hoping to get good advice from this Resume: Writing 2017 The Ultimate Guide to Writing a Resume that Lands YOU the Job! (Resume Writing, Cover Letter, CV, Jobs, Career, Interview) and I wanted to help him since it is his first job if he will be hired. This book shared resume technicalities like the appearance of neatness, efficiency, and professionalism. Also, shares the exact length of a resume and resume formats. So far it was written well and have nothing else against to say. This is helpful for newly graduated students who wanted to seek a job right after they graduated from school. 0 of 0 people found the following review helpful. Good book By Allen Mogul This is a short informative book. I have a feeling the author left out a lot of information. But the basics was good information. I recommend this book for those whom need to start a resume from scratch
