A must!By Gina JetterThis book is a must for those applying for medical school and residency. It has sample Resumes and Personal Statements that helped me write mine. I recommend this to any college student or medical students I know going through the application process.0 of 0 people found the following review helpful. Highly recommend this book for health care professional who seeking a job.By Y. YangI feel that this book is very useful for foreign medical graduate who are applying for residency. These samples are very helpful for creating our own PS and CV.
