Editors of VGM : Resumes for College Students and Recent Graduates before purchasing it in order to gage whether or not it would be worth my time, and all praised Resumes for College Students and Recent Graduates:

9 of 9 people found the following review helpful. Standard, generic examples that can be found on the internet By A Customer The examples in this book are pretty typical. Most of the resumes have the same content and don't stand out in any special way. The book is not effective in communicating to recent college grads how to translate their academic experience into work experience. Save your money and check out another book.

The VGM Professional Resumes Series helps professionals at all levels of experience compile and write effective, persuasive resumes that get those all-important interviews. Each book in the series offers step-by-step advice tailored to the needs and expectations of a particular profession. Readers can model their efforts on the 100 sample resumes

and 20 sample cover letters that are included in each book.
