**Cory J. Schulman : Resumes For Higher Paying Positions** before purchasing it in order to gage whether or not it would be worth my time, and all praised Resumes For Higher Paying Positions:

2 of 2 people found the following review helpful. Brilliant insights. Helped me double my income. Highly recoBy A CustomerI highly recommend Resumes For Higher Paying Positions. It gave me objective and insightful advice to identify key points and generate ideas, and write them in a dynamic way. The author provided abundance of techniques, expamples, and samples. The information was in-depth, yet easy to read. I found this book more useful than any other I have ever read on the same subject. After reading the book, I put together the best resume I believe I have ever had and believe it was the factor that enabled me to succeed in getting a new job that pays me twice what I wa earning before. I was earning \$24,000 a year and now I am earning more than \$50,000. That was worth the cost of the book, which was \$17.95. I think it is one of the better books on the market.0 of 0 people found the following review helpful. Cory Schulman is the BestBy J. RayI had Cory Schulman do my resume about 6 years ago and he

update it several times. He also did work for my friends and family with great success. Unfortunately he doesn't write resumes anymore, but his book is the next best thing. You won't be dissapointed.
