Editors of VGM Career Books : Resumes for Mid-Career Job Changes before purchasing it in order to gage whether or not it would be worth my time, and all praised Resumes for Mid-Career Job Changes:

14 of 15 people found the following review helpful. A very good title, but a disappointing content. By A Customer Being "mid-career" can mean many things, but one meaning is a fact: You are a seasoned worker, getting older and being less attractive to new employers. Therefore, I expected from this book some guidance for people who are not so experienced with modern ways to apply for a job. Let's say some tricks to become more attractive. Unfortunately, this book is not of big help. Only the first 28 pages give explicit advise to the reader on how to set up a resume. The advise is extremely basic and not at all adapted for being "mid-career". Several times the author advises on WHAT TO DO WITHOUT WORK EXPERIENCE. Nonsense. The second part, the resume part, has impressive 100 pages. It presents resumes of different styles and lay outs. However, all are uncommented. The reader has to do its own interpreting of what the system behind all this variety is. Here I am missing the guidance of an experienced professional who can help you to extract the style that fits you best. ...at least some pros and cons. Even a

"mid-career" would probably like to know that resumes are scanned into data bases. However, there is no comment mentioning the use of key words for electronic resumes or what to do with the ASCII format cutting your lines. The third part, as important as your resume part, is the cover letter. It has about 20 pages presenting 20 uncommented examples. Here too my question is: What is this for? 0 of 2 people found the following review helpful. Excellent Resource...By Customer I'm not sure what the previous reviewer was talking about (perhaps he read another book). This book is extremely useful, and it is an excellent resource for career changers!

Identifies the keys to writing an effective resume, discusses layout and cover letters, and shares a variety of sample resumes for those changing careers.
