Debra Mastic : Resumes Made Simple before purchasing it in order to gage whether or not it would be worth my time, and all praised Resumes Made Simple:

1 of 1 people found the following review helpful. I loved Resumes Made SimpleBy SarahI loved Resumes Made Simple, not only was it a quick read with only 58 pages, it was full of examples on how to apply the content to your own resume. Not only does Debra help you find the wording to showcase your relevant experience, she also breaks down how applicant tracking systems (ATS) are used by companies to sort through applicants and discusses how you fill out an application that has more chances of getting looked at by recruiters.

Do you want to land your dream job? What if you could do that without much resume writing experience and without spending tons of money? Debra Mastic, award-winning information design expert and resume writing guru, has written this book just for you. *Resumes Made Simple* is a blueprint for creating a resume with detailed step-by-step instructions and examples. It's a quick and easy solution for a fraction of the cost of a professional resume writer. In this book, you'll discover: How to write the perfect career summary How to write each bullet about your experience How to effectively include hard and soft skills How to address employment gaps And so much more! If you're trying to get the job of your dreams, you can't afford to submit a resume that won't get the job done. This book is the resume tool you can't do without.
