Adams Media TBD : Resumes That Knock 'em Dead 4th Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Resumes That Knock 'em Dead 4th Edition:

0 of 0 people found the following review helpful. Five Stars By Mark Excellent book 10 of 10 people found the following review helpful. Middle of the road... By Paula Erickson I didn't find any new, earth-shattering insights into the resume process, but it did lay out the fundamentals nicely. I learned a few new things, and it gave me a good outline to put together a resume. The section that describes how to pull the resume information together, would have been presented better had it been in some sort of a chart or list format. The way it is set up - it is written in long sentences that stretch over a couple pages. I had to keep flipping back and forth to remember what step to do next. There was a lot of redundant information, and I thought the examples didn't help me much. But in the end, it did prompt me to put together a new, more concise, and tailored resume. Although the description of how to edit the final resume was a bit broad. 0 of 0 people found the following review helpful. Good, but already needs to be updated! By Lauren I bought this after moving countries and needed to beef up my resume. This definitely helped me organize my resume, as well as utilize appropriate words in my resume content. Already though, 2 years later as I assist family and friends with resume updates, this book is a bit out of date, as resume formats, and what companies are looking for has changed. I would still recommend this book overall though, always a good reference to keep on the shelf!

Offers advice on preparing effective resumes, includes real-life examples, and provides instruction on creating an electronic resume.

"No job hunter can afford to bypass the Knock em Dead books." -- Tony Lee, Editor, The Wall Street Journals National Business Employment Weekly
"The best book on how to write a resume ever written." -- Jack Bilson, Manager of Professional Employment, Unisys Corporation
"The ultimate resume writers handbook!" -- John Noble, Director, Career Development Center, Duke University
"To the point, understandable, and on the cutting edge. You need to read this-today!" -- Robert O. Snelling, Chairman, Snelling Snelling
"To the point, understandable, and on the cutting edge. You need to read thistoday!" -- Robert O. Snelling, Chairman, Snelling Snelling
