**L. Xavier Cano : Resumes That Stand Out!: Tips for College Students and Recent Grads for Writing a Superior Resume and Securing an Interview** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Resumes That Stand Out!: Tips for College Students and Recent Grads for Writing a Superior Resume and Securing an Interview:

2 of 2 people found the following review helpful. **The Best Resume Writing Book for College Students** By Lorenzo Xavier Cano I decided to write this book because of all of the successes I have had with coaching students, professionals, and groups on resume writing and other job acquisition strategies. My tips on writing a successful resume are shared in this book and the information is very straight forward so that you don't waste your time. For those who have a goal of getting ahead, this book provides a solid path. I dedicate this post to a recent client of mine who used the tips in this book to prepare her resume as part of a college application, and who also received her acceptance letter from Harvard last week. Congrats!

I'm a year out of school. The best advice from the book is the way to frame your bullet points under your work experience. That one chapter completely transformed my resume. Once I took the author's suggestions, I immediately started getting more interviews and got my job very quickly after. Another added benefit is once you change your resume, you have a lot more confidence in your ability to get jobs. From looking at your resume, you can see that you have the necessary skills, and how you can effectively communicate them in interview. Overall, this book is extremely actionable and simple. I'm really glad I bought it.

0 of 0 people found the following review helpful. **Best book for college grads!** By J Moore I would recommend this book for college students trying to land that first job. Very helpful and explains each section step-by-step, helping you through each section and giving ideas of what to include! One of the best books I invested in!

Let's face it. The world is changing. As a college student or recent graduate, having a superior resume is a **MUST** in this competitive environment and the first step toward standing out. -What information is essential to include in a resume? -How do you incorporate "buzz" words to grab the reader's attention? -What should you do if you don't have enough work experience? -What are some quick, easy strategies to make your resume stand out from others? -What is a cover letter? -How do you get recruiters to notice you at a career fair? All these questions and more are answered in this book. A multitude of real-world examples, effective visuals, and samples of winning resumes simplify the resume writing process. You will also learn how to write a cover letter and master a career fair to maximize your potential and get closer to landing the job of your dreams!

**About the Author** L. Xavier Cano has been coaching undergrads, professionals, and groups on resume writing, interviewing, cover letter creation, and how to work a career fair for the last decade and is the founder of Innovative Resume Consulting LLC. L. Xavier Cano is also known as The Resume Whiz for his 100% track record of placing his clients into jobs in 4 weeks or less and is one of America's leading resume writing and career coaches for college students and recent graduates. His methodology combines persuasion techniques, inside knowledge from recruiters, and personal insights as a manager. Cano currently lives in Austin, Texas, with his wife Mara and daughter Eva Sofa.
