**Gustav Muthmann : Reverse English Dictionary: Based on Phonological and Morphological Principles (Topics in English Linguistics)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Reverse English Dictionary: Based on Phonological and Morphological Principles (Topics in English

Linguistics):

Rather than presenting a reverse list of words in endless sequence and strictly alphabetical order, this "Reverse English Dictionary" considers the structure and formation of words, grouping them together in sections and subdivisions. This way of looking at words from behind and comparing similar word endings reveals new and unaccustomed aspects of the structure of words and their formation, illustrating the enormous variety of the English language.

"[Muthmanns] Reverse English Dictionary erweist sich als ausserst praktisch und markiert einen Meilenstein in der Geschichte rucklaufiger Wörterbücher."Martin Neef in: 'Zeitschrift für Sprachwissenschaft' 20-2 (2001) "A tool many striving poets would have loved back when poetry had to rhyme. [...] His purpose is not, however, to help fledgling Shakespeares, but to allow linguists to find patterns within the language that would not otherwise be apparent."SciTech, Portland"-[Muthmanns] Reverse English Dictionary erweist sich als auerst praktisch und markiert einen Meilenstein in der Geschichte rucklaufiger Wörterbücher.-Martin Neef in: 'Zeitschrift für Sprachwissenschaft' 20-2 (2001) -A tool many striving poets would have loved back when poetry had to rhyme.
