**Rick Steves : Rick Steves' French, Italian German Phrase Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rick Steves' French, Italian German Phrase Book:

1 of 1 people found the following review helpful. Very Useful Pocket Companion for the Traveler By Thomas Baldovin This is a very useful little traveler's companion. It is a small size for carrying and it has a good variety of really useful phrases for travelers. I compared it with Rick Steves' German phrase book. This book, having three

languages, is far less thorough, but I found it had more than enough information for my travels. 4 of 4 people found the following review helpful. Perfect for Switzerland By kedsaid Perfect for Switzerland, where they speak all three and border France, Italy and Germany. Though it's not too hard to find someone who speaks English, I love trying out basic phrases in the countries I visit, and this was a good introduction and a great help in getting around. Great small size for packing. 2 of 2 people found the following review helpful. Compact and useful By Nikki Perfect for my needs. In about a month, I'll be heading to Paris, Munich, and Rome, so this phrasebook covers all of my bases. I like that each phrase is accompanied by phonetic spelling to assist with pronunciation. It's well organized, so it's easy to find what you're looking for. It's also nice and small, so it doesn't take up too much space.

When ordering a caf au lait in Paris, calamari in Venice, or bratwurst in Munich, it helps to speak some of the native tongue.
