Rick Steves : Rick Steves' Italy Map: Including Rome, Florence, Venice and Siena City before purchasing it in order to gage whether or not it would be worth my time, and all praised Rick Steves' Italy Map: Including Rome,

Florence, Venice and Siena City:

1 of 1 people found the following review helpful. Good for planning and taking along
By Customer
Great map! It's accurate and very useful when planning for and traveling in Italy. I studied this map when planning my month long excursion to Italy, and also took it with me. I pulled it out fairly often when trying to navigate train stops and distances.
1 of 1 people found the following review helpful. Perfect travel map
By Customer
Map perfect for my upcoming trip. It is coated, so will not tear easily and fold up nice.
2 of 2 people found the following review helpful. This map was excellent for Venice and Florence
By Mark Reynolds
This map was excellent for Venice and Florence, but Rome was another story. The map covers too small an area of central Rome. Even the Vatican is only partially included on the edge of the covered area. The Vatican metro station is off the map so you do not know any street names or directions to get back on to the map. The central metro station (Termini) also slides of the another edge so when you come out of the station you have a good chance of not being on the map.

Designed specifically for Rick's travel audience (or users) these maps highlight choice destinations throughout Italy, from the Alpe di Suisi to Sicily, in a colorful, easy-to-use format on high-quality paper that lasts over many trips: Cuts the Clutter: While big cities are left for navigational purposes, this map is otherwise stripped clean and filled in only with places that matter to travelers. Guidebook-Friendly: At a glance, all the places you read about in Rick's Italy, Rome, Venice and Florence guidebooks pop right out in a crisp, easy-to-read format Rail or Road: Includes important train lines and highways (and ferry routes) for easy route-planning, no matter how you'll get around. The Back's Even Better: The reverse side includes detailed city-center maps of Rome, Venice and Florence, locating sights, hotels and restaurants from Rick's city guidebooks.

Today's tourists are as likely to be toting Rick Steves as Giorgio Armani, tasting the good life without burning through the Kids' college fund.
About the Author
Susan Holbrooks poetry books are the Trillium-nominated Joy Is So Exhausting (Coach House, 2009), Good Egg Bad Seed (Nomados, 2004) and misled (Red Deer, 1999), which was shortlisted for the Pat Lowther Memorial Award and the Stephan G. Stephansson Award. She lives in Leamington, Ontario, and teaches North American literatures and Creative Writing at the University of Windsor. She is the author of a poetry textbook, Reading (and Writing About) Poetry (Broadview Press, 2015) and co-editor, with Thomas Dilworth, of The Letters of Gertrude Stein and Virgil Thomson: Composition as Conversation (Oxford, 2010).
