From HarperCollins : Rock On: The Illustrated Encyclopedia of Rock n' Roll - Volume 1, The Solid Gold Years (v. 1) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rock On: The Illustrated Encyclopedia of Rock n' Roll - Volume 1, The Solid Gold Years (v. 1):

0 of 0 people found the following review helpful. Buyer BewareBy WarrenThis book is a classic providing extensive information on individual artists. Yes, it is as it says and encyclopedia of rock and roll. I was expecting more of a "storyline" on the history and evolution of rock and roll instead of just this complete inventory of the artists. I also didn't understand that the "solid gold years" only went to 1964, so I had to also purchase volume 2 to get from 1964 to "present" which only went to 1978 when that volume was published.0 of 0 people found the following review helpful. Poorly made productBy Thomas J. McCullochI purchased this to replace an older copy that I bought a long time ago and had fallen apart. The first time I used this new one the front cover separated. To say the least I was not happy. I believe this was supposed to be new. I guess it was poorly manufactured. At least the first one I bought lasted a decade or more.0 of 0 people found the following review helpful. A Must to have in your libraryBy Nay NassarI bought this in paperback when it originally came out and my copy is falling apart. I was thrilled to get a great hard bound copy for \$.73 + postage and it great. Many thanks, NPN

Rock On: The Illustrated Encyclopedia of Rock n' Roll - Volume 1, The Solid Gold Years (v. 1) [Dec 01, 1982] Nite,
