2 of 2 people found the following review helpful. An excellent guide to get you into the garden and not ...By Cynthia NegronAn excellent guide to get you into the garden and not feeling totally lost. Can be overwhelming if it's your first time taking on a gardening project, but reading this book keeps me grounded in the now.2 of 2 people found the following review helpful. Great Overview of the topic.By Michael BaldaufPerfect for focusing on how to create and maintain garden spaces in a rural mountain environment. Obviously written from knowledge gained over years.1 of 1 people found the following review helpful. I have all their books which have improved in format and become my favorite books to give to gardeners just starting outBy old flowerI've followed John Cretti for 34 years. I've even met him and then wife at a Home/Garden Show. I have all their books which have improved in format and become my favorite books to give to gardeners just starting out.

The when-to and how-to schedule for growing, caring for, and maintaining your Rocky Mountain garden! Never garden alone! The Month-by-Month Gardening series is the perfect companion to take the guesswork out of gardening. With this book, you'll know what to do each month to have gardening success all year, from January to December. It's full of the when-to and how-tos of gardening along with richly illustrated step-by-step instructions, so you can garden with confidence. Reap the benefits of the gardening successes of author John Cretti, who has more than thirty-two years of gardening experience! With a fresh look and updated information, Rocky Mountain Month-by-Month Gardening includes all the when-to and how-to information that has made these books so popular over the years, presented in a new, easier-to-use format with more full-color photography and the most current information available. Complete with specific advice on growing flowers (both annuals and perennials), bulbs, grasses, roses, groundcovers, shrubs, trees, and vines, this book is one no garden lover will want to miss! In the winter, certain tasks are needed to plan for and improve the next growing season. And once things really start growing in the spring and summer, you'll find advice on the best way to get the most beautiful flowers, the lushest lawns, and the sturdiest trees. From planting to watering and fertilizing, and from maintenance to problem solving, Rocky Mountain Month-by-Month Gardening shows all levels of gardeners the best practices to grow satisfying and rewarding results.

"... could take a landscape novice who has bitten off more than he or she could chew and give them the confidence to head into the yard with the loppers." - Denver Post
