**Carl B. Yoke : Roger Zelazny (Starmont Reader's Guide)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Roger Zelazny (Starmont Reader's Guide):

This is the first guide to the works of this well-known SF writer. When Roger Zelazny exploded on the science fiction in 1962, it was not with a whimper, but a bang. The fallout was a shower of simile, symbol, and allusion. Images fresh and new burst in fields of variegated color. Rich tapestries full of mythic characters and beasts unfolded in poetic escapes from reality-and always with great style. Yoke, a close friend of Zelazny's since they shared a desk in the first grade, here delineates the author's work, from his very first explorations of fantasy through such classics as *Lord of Light*, *Home is the Hangman*, and the majestic *Amber* series.
