By Pariah Sojourner I bought Roget's Words for Students (RWfS) at the same time as Roget's International Thesaurus (RIT). I find myself going with the RIT as my word source so much more than with the RWfS that my Words for Students is now collecting dust. RWfS is not as concise RIT by far. I highly recommend spending the few extra dollars for the International. 0 of 0 people found the following review helpful.
