I find this edition easier to navigate then the previous editions. There is a lot of information in here regarding Israeli wines.3 of 3 people found the following review helpful. Best of its KindBy G. ViolanteGreat book on

Israeli wines. Well structured, with practical information. Nice rating chart for winetasting included in dustcover. Handy for photocopying. 0 of 0 people found the following review helpful. L'Chaim By R. Simenhoff So useful on our recent trip to Israel....was pleased we'd bought this before we got to the wineries. There are some real wonderful vintages to look for.

Rogov's Guide to Israeli Wines is the definitive guide to this fast growing region of world class wines. And it sets a new standard: as Tom Stevenson, Editor of Sotheby's Christie's Wine Encyclopedias wrote "not only the most complete and up-to-date coverage of Israeli wines, but it is very tastefully designed, and of extraordinarily high quality."

"A terrifically comprehensive little book that aims to be both comprehensive and definitive in its coverage of the Israeli wine scene today." -- Tom Carnavan, Wine Pages (England) "Rogov's Guide is indispensable for fans of Israel's fast-growing industry" -- New York Times "Rogov's Guide is undoubtedly comprehensive, including thousands of tastings. A superb must-read book." -- City Mouse "This quality wine book reflects the enormous strides recently made in the Israeli wine industry; it fills an important void in spreading the message about the quality and variety of Israel's wineries. Rogov is by far Israel's most credible wine journalist." -- Decanter Magazine "This really is a tour de force with immense detail and meticulous research plus, of course, lots of tasting! It is an indispensable guide to anyone who wants to drink well in Israel." -- Serena Sutcliffe, Director of Sotheby's Wine Department From the Publisher The Guide contains a detailed map of Israel's wine regions; coverage of almost 150 wineries; a tasting chart for your own ratings; contact details of all wineries; and almost 1400 wines tasted, rated and fully described. The Guide indicates which of Israel's wines are kosher, information on what makes a wine kosher and discusses whether there is a contradiction between good wine and kosher wine. In a convenient pocket sized format, Rogov's Guide To Israeli Wines 2007 rates in detail all available wines from Israel through the 2005 vintage. This is the definitive guide to the entire Israeli wine scene!
