After the highly successful launch of this popular, college-level intermediate French program, the Second Edition of Rseau: Communication, Intgration, Intersections expands upon the features that have made it so popular in two- and four-year colleges and universities around the world. Rseau conceives of the teaching of French as a holistic endeavor, not only in terms of language skillsspeaking, listening, reading, and writingbut also in terms of cultural knowledge in the broadest sense. Based on the belief that knowledge of a second language and culture necessarily

brings about a greater understanding not only of the world in an increasingly global context, but also of the individual self, the content and activities in *Rseau* offer students the opportunity to reflect on the differences between their own and French and Francophone cultures and experiment with the new identities that so many researchers suggest language learning can encourage. 0205949231 / 9780205949236 *Rseau* with MyFrenchLab (multi semester access) -- Access Card Package Package consists of: 0205932614 / 9780205932610 *Rseau: Communication, Intgration, Intersections* 0205934358 / 9780205934355 MyFrenchLab with Pearson eText -- Access Card -- for *Rseau: Communication, Intgration, Intersections* (multi semester Access)
