0 of 0 people found the following review helpful. great resume samplesBy DPLGreat variety of resume sample (20 different samples covering a variety of fields). Solid resume and cover letter writing guidance.

Rsums remain the primary device with which jobseekers grab the attention of hiring managers and land that all-important job interview. Yet, jobseekers continue to submit rsums filled with errors, errors that likely cause their

resumes to get shredded. This book provides guidance to help jobseekers to avoid making common resume mistakes and to create resumes and cover letters that get them noticed and offered interviews.
