**E. V. Nikoshkova : Russian English Dictionary Psychology** before purchasing it in order to gage whether or not it would be worth my time, and all praised Russian English Dictionary Psychology:

The dictionary contains about 34,000 terms for general, social, engineering, educational psychology, psychophysics, abnormal psychology and other psychological disciplines. The dictionary also includes terms from the areas related to psychology (physiology, medicine, anatomy, philosophy, logic, etc.). The dictionary is intended for researchers, translators, teachers and students of psychological faculties.
