From Dover Publications : Sailing Ships Paintings and Drawings before purchasing it in order to gage whether or not it would be worth my time, and all praised Sailing Ships Paintings and Drawings:

1 of 1 people found the following review helpful. Good IMages to spce up your literary endeavorsBy Scott P. NielsenI enjoy using the images in any literary attempt I make. Sometimes I use them for CD or DVD labels. They are great for posters for my sailing club. A fair price for nautical images that are not hard to incorporate into your compositions whatever they may be. I have purchased a few of these publications with CDs from and not been disappointed.0 of 0 people found the following review helpful. Five StarsBy Mr. Ronald E. Hubbardcouldnt be beat for sailing ship design2 of 2 people found the following review helpful. Sailing Ships Painting and Drawings CD-ROMBy P. WeillI've come to expect top quality CD - book combos from Dover, and I was not disappointed. I've used some of the images as "ornaments" in a boating newsletter. Nice stuff.

Since ancient times, man has relied on sea-going vessels for transportation, exploration, trade, and warfare. This beautifully rendered collection of illustrations by such famous maritime artists as Gordon Grant and John Batchelor offers a pictorial history of sailing ships from centuries past. The sea of amazing images includes everything from the royal barge of an Egyptian pharaoh, Viking ships, Columbus' Santa Maria, and the pilgrim fathers' Mayflower, as well as submarines, steamboats, ocean liners, and more. Filled with 119 color and 77 black-and-white illustrations, this stunning volume will enhance an ocean of craft and design projects, while thrilling nautical book collectors.
