From Brand: SB Publishing : SALTY LANGUAGE - An Unabridged Dictionary of Marine Corps Slang, Terms and Jargon before purchasing it in order to gauge whether or not it would be worth my time, and all praised SALTY LANGUAGE - An Unabridged Dictionary of Marine Corps Slang, Terms and Jargon:

1 of 1 people found the following review helpful. AWESOMEBy John J KennedyExtraordinary!!! Awesome!!!! A

must read for anybody who has NOT earned, claimed or called a United States Marine. Brings back a lot of memories both good and bad. If you ever wanted to know the "Language" of the Marine Corps this is the book for "ALL CIVILIANS and the "OTHER" services. For the MARINE CORPS stands alone 1 of 1 people found the following review helpful. Loved it. Handy for old timers to "refresh" their memory. By Paul B. Nichols Loved this one. I wish it had been around when I joined. It also could come in handy for 'prior enlistment' (old farts) marines whose memory might not be as good as it once was. By the way, when I went through Dago in 70, I remember OORAH as strictly a doggie airborne term. Any gyrene using the term would have been seriously ridiculed. Thank you for this book Mr. Bufalo. 0 of 0 people found the following review helpful. A VERY GOOD REFERENCE BOOK for Marines' Relatives and Civilians By Richard McCauley Brought back memories of several stops in my Marine Corps Career. Now when some one doesn't understand what I'm telling them, they can look it up. There never was any doubt about what the Gunny meant and now others can understand.

Salty Language is the perfect book for anyone with a need to understand Marine Corps lingo. If you have ever wondered about terms like "Cookie Duster," "Big Chicken Dinner" and "Boondoggle" here's your chance to decipher them. Acronyms like ANGLICO, CACO and BOHICA are also defined, as well as "Old Corps" terms like "Battle Pin" and "Comshaw." Get a copy today, before someone gives you the "Green Weenie!" Makes a great gift for your "Alpha Unit" (spouse)!
