**Michael Farr : Same-Day Resume (Help in a Hurry)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Same-Day Resume (Help in a Hurry):

5 of 5 people found the following review helpful. Excellent guidance for overachievers procrastinators alike! By Rachel The way this book is set up with worksheets to guide generating your qualifications is a huge time-saver, streamlining your process. The way you will (no doubt) then streamline your workflow in your new job! Instead of mulling over the who-what-which's of it all, I had my resume prepared on Sunday and went out with it on Monday, just as the book describes. (Now if only I could say to you that I had an interview on Tuesday followed by a job offer,

huh?!))One of the most excellent pieces of advice in the book? "...Your desire is not to do a perfect resume - it is to get the perfect job." I highly recommend giving this book a run for its money, it's got some great advice on how to talk around your shortcomings and play up your successes and talents. 1 of 1 people found the following review helpful. Although I had a resume I did use this book ...By Helene CieriAlthough I had a resume I did use this book to tweak it up and take some recommendations for the thank you notes. Well worth it.

Same Day Resume offers a quick, easy way to put together an effective resume so the job seeker can get on with their job search. This compact guide gives the reader the essential tools to apply for jobs on the fly. This resource provides the step-by-step instructions needed to write a great resume now! It includes dozens of new sample resumes from professional writers and even offers advice on cover letters, online resumes, and more.
