My husband had an old issue, so thought I would surprise him with the 2016 version - he loved it. He's almost 80 and still has trouble using his i-phone and finds it easier to look up his garage sale or yard sale addresses using the Thomas Guide book.0 of 0 people found the following review helpful. Super happy to have found it on hereBy marcelaI was looking everywhere for one of these. Went to a handful of stores and they seemed to not even know what I was talking about. Super happy to have found it on here. I enjoy using this "old

school" map.0 of 0 people found the following review helpful. Google maps is a great app but if you want to know where a ...By Alice HowesGoogle maps is a great app but if you want to know where a place is in relation to your point of origin - or in relation to other possible choices for a particular store, for example, look at a user friendly map like Thomas Guide to find that actually the one in Chula Vista is closer than the one in Kearny Mesa fewer freeway changes. Get a much clearer idea of where you are going.
