Uc-Berkeley Career Center : San Francisco Job Source- The Only Source You Need to Land the Job of Your Choice in Northern California before purchasing it in order to gauge whether or not it would be worth my time, and all praised San Francisco Job Source- The Only Source You Need to Land the Job of Your Choice in Northern California:

3 of 4 people found the following review helpful. Not updatedBy A CustomerThe supposedly 2001 edition is not updated to reflect the current recession going on in California. The book starts buy saying "The California economy is booming..." Other than that it has lot of infomation- yellow pages style.

Over 8000 detailed job contacts in the San Francisco area, San Jose/Silicon Valley, and Northern California, including small and large companies, Fortune 500 corporations, non-profits, government agencies. and internships. Co-authored by the UC-Berkeley Career Center, the book also includes job search strategies, interviewing techniques, sample resumes and cover letters, jhob web-sites and hotlines, industry publications, employment agencies, how to relocate, where to live, and more.

From the PublisherThe Job Source Series was created to assist all job hunters by providing essential job searching strategies, along with the most updated and comprehensive database information of employer contacts.About the AuthorCoAuthored by Professional at UC-Berkeley Career Center.
