**Jim Stewart : SAP EP: SAP Enterprise Portals Interview Questions, Answers, And Explanations** before purchasing it in order to gage whether or not it would be worth my time, and all praised SAP EP: SAP Enterprise Portals Interview Questions, Answers, And Explanations:

The Ultimate Reference Learning Guide for S A P Portals Consultants SAP Portals Interview Questions, Answers, and Explanations! It' s clear that SAP Portals is the wave of future user interaction with SAP -- finding answers can be difficult. SAP Portals Interview Questions, Answers, and Explanations guides you through your learning process. From helping you to assess your Portals skills to evaluating candidates for a job, SAP Portals Interview Questions Answers will help you understand what you really need to know. The book is organized around several areas of SAP Portals: Internet Architecture, SAP Authorizations, and Applications Each question includes everything you need to know to master the interview or properly evaluate a candidate. More than just a rehash of SAP documentation and sales presentations, each question is based on project knowledge and experience gained on successful high-profile SAP Portals implementations. Key certification and interview topics include: . BSP Application Development . WAS Installation and Deployment . Enterprise Portal 6.0 / ECC / WAS 640 . New Dimension Products and Application Scenarios . Web Templates and Look and Feel Changes . Everything a Portals Resource Needs to Know Before an Interview
