SAP SRM CCM - not a mysteryBy Suresh RamaThis book will help you deploy SAP SRM's new Catalog Content Management solution, CCM 2.0 - the book includes details that took me several months of very hard work to figure out on my own. Now that I have the book I wish I had this a long time ago!

The Consultant's Guide to SAP SRM CCM and Requisite Catalog. Key topics include SAP CCM, CSE, and CAT, Punch Out and External Catalogs. The heavy integration and amount of knowledge required to master the major SAP SRM catalog content management systems is staggering, and makes implementation a challenge. now, for the first time, two world class SAP consultants reveal their "secret handshake" solutions to real-world configuration and integration tasks in SAP SRM Catalog Content Management. This guide includes comprehensive configuration and management information for both of the major SAP SRM catalog content management systems -- SAP CCM CAT and CSE. The authors explore topics and techniques that are simply not covered, or not covered as clearly elsewhere. From implementing the basic system to debugging the most complicated scenarios, this book shows you how to do it, or how to do it better.
