I am going to Spain this summer for a couple months and got this in preparation for the trip, would highly recommend for moderate to advanced Spanish speakers! Also a great price!1 of 1 people found the following review helpful. Excellent book, for reviews and new materials.By hahal bought the Kindle version for my Samsung Android and the book is just perfect for reference any time i need it. The chapters are well laid out and

Chapter 3 alone covers all the verbs and their idiosyncrasies. There are so many exercises to practice and having an electronic copy is just so convenient for running thru the book and have bookmarks....Schaum's series have saved my life in college. Now this book saves me from the confusion of all the things i have learned. It encapsulates each topic in order. It also reminds you the mistakes people often make. And it builds you up sequentially and gives you tips to memorize and reasons why things happen. I can never find a better book. It has helped me to grasp all the subjunctive tenses and usage. also gives you a preview of the book.0 of 0 people found the following review helpful. Great resourceBy DenyseI am a MFL teacher and while I have a hardcopy of this book, I'm going to be using this kindle edition for my son who is now doing Spanish in Secondary school. I used I way back when I was a student in High School and I'll be using it with my son too!
