Sue Young : Scholastic Rhyming Dictionary: Over 15,000 Words (The Scholastic Rhyming Dictionary over 15,000 Words) before purchasing it in order to gage whether or not it would be worth my time, and all praised Scholastic Rhyming Dictionary: Over 15,000 Words (The Scholastic Rhyming Dictionary over 15,000 Words):

2 of 2 people found the following review helpful. great resourceBy LizzieI use the Scholastic Rhyming Dictionary for writing children's rhymes and for constructing rhyming puzzles. For both tasks, I need only basic vocabulary, and while a rhyming dictionary isn't necessary (you can probably think of most of these rhymes yourself), it sure makes life simpler. Every time you need a rhyme for "hat," do you want to sit there going "at, bat, brat, cat, chat...?" No, you have better things to do with your time, and this book can save that time for you. When I ordered this book, I wasn't expecting much from it. After all, it's a kid's reference book and I'm an adult. Years later, I consider it one of my most fortunate purchases. It is well organized and easy to use, and the little cartoon pictures are cute. FYI, I also own a "serious" rhyming dictionary that has just about every rhyme and near-rhyme that anyone could ever want, and I never use it. The Scholastic Rhyming Dictionary is more intuitively arranged and it has everything I need.6 of 6 people found the following review helpful. Best Rhyming Dictionary I ownBy Rose SI have three rhyming books as I write my annual Christmas letter in a poem. This one happens to be the best one I own in my humble home. It's true this book doesn't have every word that I need. However, most of rhyming words I use come from this book - guaranteed. It has

cute pictures, large text, and I like how the words are arranged. If I didn't have this book during the holidays, I would definitely feel short changed. I don't have time to write more, so you'll have to see for yourself. Why this little rhyming book belongs on your bookshelf. 0 of 0 people found the following review helpful. Tutoring Resource Material By N. Bruce I am making this book part of my arsenal for tutoring students who want to learn the English Language. They need to get comfortable with using the language and I need materials that will help them.

NEARLY FLAWLESS - MINOR CORNER DING - PERFECT EXCEPT FOR THAT - SHIPS SAME DAY WITH TRACKING NUMBER! flc bt
