Joyce A. DeVoss, Minnie F. Andrews : School Counselors as Educational Leaders (School Counseling) before purchasing it in order to gage whether or not it would be worth my time, and all praised School Counselors as Educational Leaders (School Counseling):

0 of 0 people found the following review helpful. Nice and compactBy nicy135The concept of the book caught my attention. As a school counselor educator, it is much more important to cultivate the concept of school leadership among SC candidate.

This text prepares school counselors-in-training to become effective educational leaders, advocates, and collaborators through exposure to current educational leadership and advocacy models. Relevant skill-building exercises encourage active involvement.
