**Robert Schultz : Schultz's Best Five Finger Piano Encyclopedia** before purchasing it in order to gage whether or not it would be worth my time, and all praised Schultz's Best Five Finger Piano Encyclopedia:

This fantastic folio has 125 beginner/five finger arrangements that range in style from folk and children's songs, classical themes, movie and TV themes, popular and country hits, and all-time standard favorites. With lyrics and concise editing, every tune is complete and accessible to any level player.
