Harris M., III Lentz : Science Fiction, Horror Fantasy Film and Television Credits before purchasing it in order to gage whether or not it would be worth my time, and all praised Science Fiction, Horror Fantasy Film and Television Credits:

Amazing and overwhelming...awesome --Classic Images; a remarkable achievement, one of the best film references Ive ever come across--Big Reel; massive...exhaustive...recommended--Interzone; a key resource--Booklist/RBB; remarkably thorough.... Recommended--Choice; enormous.... A superlative achievement...exemplary entertainment reference source.... Essential...highly recommended--Library Journal.

"A key resource" -- -Booklist/RBB"Amazing and overwhelming...a staggering amount of research, too awesome almost to contemplate " -- -Classic Images"Massive...exhaustive...recommended" -- -InterzoneAbout the AuthorResearcher and independent scholar Harris M. Lentz III is also the author of such McFarland titles as *Western and Frontier Film and Television Credits* (1996, \$175, 2 vols.), *Television Western Episode Guide* (1997, \$95), the annual series *Obituaries in the Performing Arts* (\$30), and *Encyclopedia of Heads of States and Governments, 1900 through 1945* (1999, \$75). He lives in Bartlett, Tennessee.
