Charles Snee, James E. Kloetzel : Scott Specialized Catalogue of United States Stamps Covers 2014 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Scott Specialized Catalogue of United States Stamps Covers 2014:

0 of 0 people found the following review helpful. Great source of information. By Dawn This is a must have for anyone who collects stamps. Comprehensive information relatively easy to navigate through. I purchase one every few years. 0 of 0 people found the following review helpful. Five Stars By jw Book is in good condition. Got it at an excellent price. 0 of 0 people found the following review helpful. Perfect By Robert H. Ferguson Arrived in great condition. Just what I need for my stamp collection!

The 2014 edition of the Scott Specialized Catalogue of United States Stamps and Covers features more than 7,700 value

changes and a host of important editorial enhancements. One of the most important additions is the new symbol incorporated in the listings that identifies modern U.S. self-adhesive stamps that are difficult to soak. Several new listings have been added, including expanded on-cover values for the Presidential definitive series and the 1954-73 Liberty definitive series. A handful of new error listings also appear including the color-omitted Jim Thorpe issue, Scott 2089a. Numerous enhancements also have been made in many of the back-of-the-book sections.
