**Dylan Callaghan : Script Tease: Today's Hottest Screenwriters Bare All** before purchasing it in order to gage whether or not it would be worth my time, and all praised Script Tease: Today's Hottest Screenwriters Bare All:

2 of 2 people found the following review helpful. It's All in The TitleBy OlafExceptional interviews of an eclectic cross-section of many of today's most influential and celebrated screenwriters. Mr. Callaghan provides anyone interested in the art with a glimpse of the minds behind the scenes (and madness) of scriptwriting. This is not a "how to" book. But, even if you don't know a thing about screenwriting, you will recognize the names of these writers and

their films, and be drawn into their medium. 1 of 1 people found the following review helpful. useful insights into scriptwriting craft  
By john d callaghan  
Each interview in "Script Tease" contains two or three specific insights as to the technique, attitude and approach of these well-known, proven authors along with a fast-moving, engaging dialog. Interviewer Callaghan "teases" outclues and surprises for both aspiring script writers and those who simply love the movies. This book should be required reading at UCLA and USC film schools!

By James M. Patton  
Anything you can lay your hands on with this many great writers, particularly Aaron Sorkin, is a tool you should have available to you as a writer. Kudos for collecting the advice of so many writers into one place.

The Newest Screenwriting Secrets  
What do an erstwhile stripper, an exgambling addict, and a stoned Canadian teenager have in common? They wrote your favorite movies, and they're not who you'd expect.  
Diablo Cody (Juno), Darren Aronofsky (The Wrestler), and Seth Rogan (Superbad) are among the scribes interviewed in Script Tease, your main line to the most current screenwriting wisdom. Their funny, even touching tales of how they made it despite the odds will give you a revealing look into what it really takes to get into the industry. With the guidance of recent greats like Aaron Sorkin (The Social Network) and the Coen Brothers (True Grit), you will learn how to hone your craft and make it in an industry where only the best succeed.

About the Author  
Dylan Callaghan is an entertainment journalist, screenwriter, and published songwriter. He's worked as an interviewer for the Writers Guild of America, West; a script analyst for New Line Cinema; and a feature writer for The Hollywood Reporter, where he made a name for himself profiling industry players from Quentin Tarantino to Will Smith. He currently resides in Los Angeles, CA.
