Absolute must read for young professionalsBy SincereSeekerAl eloquently lays out a set of wonderful steps young professionals should embrace with enthusiasm. Most of the mistakes young professionals make early in their careers could easily be avoided if they had a mentor supporting and guiding them. He lays out a very simple and detailed process of how these mistakes could be avoided. This book should be in all college campus bookstores and required reading for graduating seniors and young professionals.0 of 0 people found the following review helpful. Practical career adviceBy BrentThe book offers very good career advice, particularly to those early in their careers. It includes a description on how to develop and leverage mentors that should be beneficial to those seeking to grow beyond what they are doing now.0 of 0 people found the following review helpful. InspiringBy ErnestThis book is terrific. It motivates and inspires the reader. Not only does it teach the true secrets to success, but it provides proven, workable methods; not empty promises. Young professionals need to read this book, and then obtain the guidance and expertise from a seasoned mentor. It was a joy to read.

Secrets to Success provides detailed guidance on how to become personally, professionally and financially successful, without sacrificing who you are and what you care about. Considered required reading for any young or first generation professional in the field of law, medicine, education, business, government, non-profit, engineering, science, technology, media or mass communications, art or design, entertainment, or any of the life, physical, or social sciences. You'll receive clear and candid information to obtain the success you want, and are given the resources needed to get it. Stop asking yourself, what if it doesn't work? And begin considering, what if it does? In about the same time it takes to watch a movie, you'll learn principles rarely taught to new and first generation professionals; including how to avoid losing up to \$80,000 per year by graduating on time from college or a graduate program, with minimal student-loan debt. You'll discover how to find a mentor and increase your income by up to \$22,000 by doing so. And explore how to find the job of your dreams, keep it for a lifetime - if you want, and effortlessly create wealth now and for future generations. You'll uncover all of this and more while learning how to stay healthy, happy and stress-free during the entire process.
