**William Bohan, Nancy Williams : Sedona Relocation Guide: A Helpful Guide for Those Thinking of Relocating to Sedona, Arizona** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sedona Relocation Guide: A Helpful Guide for Those Thinking of Relocating to Sedona, Arizona:

0 of 0 people found the following review helpful. Five StarsBy M. MetrasThis book came in like new connection. I am

happy with it.0 of 0 people found the following review helpful. Informative BookBy SicanI just finished reading the book and loved it, especially the personal stories chapter. I have had "Red Rock Fever" since August of 2004. I have several years to retirement, but often dream of my retirement being in Sedona. This book brought to light subjects/points to assist in making an informed decision when the time for relocating is closer. (i.e. taxes and real estate considerations) I definitely recommend this book to anyone with the "fever" who is considering a move or extended stay in Sedona.0 of 0 people found the following review helpful. What a great book!By LovellThis book answered EVERY question I had about moving to Sedona. It is obvious that a lot of research was put into this book and it is full of valuable information not only for people considering moving to Sedona, but for Sedona residents as well. The maps and charts were relevant, easy to understand, and very much appreciated. The "Sedona Stories" chapter gave a personal touch to the book and also provided more bits of helpful information. Two thumbs up!!!

If you are considering a move to Sedona. Arizona or just want to learn more about this beautiful place, Sedona Relocation Guide is for you. Many visitors who come to Sedona come down with a case of Red Rock Fever, a condition that is explained in the book as ... an overwhelming desire to be in Sedona... or return again and again. Printed and bound in the USA, the Sedona Relocation Guide includes chapters on why Sedona is a special place; Sedona's history; tips on purchasing real estate; Sedona's weather; shopping conditions; places of worship; recreation; volunteer opportunities and much more. It also contains Sedona Stories, the actual experiences of people who first came as visitors to Sedona then decided to become residents. Written by two Sedona locals, Sedona Relocation Guide provides you with an insiders' perspective to living in Sedona and can help answer the very important question, Should I move to Sedona?

About the AuthorWilliam Bohan and Nancy Williams first visited Sedona in 1989. William knew immediately that they had to live there. But their work as executive managers in the corporate world kept them from realizing the dream until retirement. It took fifteen years to fulfill the dream to live in Sedona. Their journey to Sedona is included in the chapter, Sedona Stories, along with others. William is active in the community and is the co-author of Great Sedona Hikes and Hiking the Vortexes, two books written to assist in locating Sedona's energy spots and hiking trails so that locals and visitors alike can enjoy Sedona's energy and beautiful scenery. After years as a 'career ' woman and mother, Nancy enjoys the retired life of creating and maintaining a home; entertaining Sedona friends; and hosting family and friends from around the globe. Both authors have contributed their unique perspectives on living in Sedona.
