Ron Laskey : Selected Songs for Cynical Scientists before purchasing it in order to gage whether or not it would be worth my time, and all praised Selected Songs for Cynical Scientists:

0 of 0 people found the following review helpful. Five StarsBy CustomerFor all the biologists in your life!

A selection of the most popular of Ron Laskey's witty songs on subjects all scientists recognize; endless seminars, incessant air travel, being scooped, the morning after the conference banquet, and so on. Laskey's songs are unique and this CD reissues many that have been long unavailable. The best of the bard of biology!
