Karrie A. Shogren Ph.D. : Self-Determination and Transition Planning (The Brookes Transition to Adulthood Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Self-Determination and Transition Planning (The Brookes Transition to Adulthood Series):

0 of 0 people found the following review helpful. Five Stars By Customer Great book

Self-determination has a powerful positive impact on post-school outcomes for young adults with disabilities but how can educators teach students the skills they need to make their own choices and achieve their goals as they enter adulthood? This empowering guidebook shows the way. Packed with practical, research-validated guidance on explicitly teaching self-determination skills, this book helps educators support students in communicating their

interests and needs, setting and reaching goals, and managing their own lives. Ready-to-use worksheets and activities will help students take an active role in their transition planning, and true case stories highlight the benefits of self-determination instruction: smoother transitions, improved behavior, and fulfilling lives beyond the classroom.

DISCOVER HOW TO Assess a student's current level of self-determination Teach essential skills that strengthen self-determination Embed individualized supports and instructional activities within a student's existing education program Create repeated opportunities for students to practice their self-determination skills Collaborate effectively with students and families Develop strong person-centered support teams with the student taking a lead role in transition planning Build support for self-determination across entire schools and communities Teach essential self-determination skills: Expressing preferences Making choices Self-management skills Goal setting and attainment Self-advocacy skills This book is part of the Brookes Publishing Transition to Adulthood Series

A well-planned, comprehensive, research-based, practical perspective on self-determination . . . Shogren knows self-determination and transition well and writes about it in clear, concise prose.
