**Manhattan GMAT : Sentence Correction GMAT Preparation Guide, 4th Edition (Manhattan GMAT Preparation Guide: Sentence Correction)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sentence Correction GMAT Preparation Guide, 4th Edition (Manhattan GMAT Preparation Guide: Sentence Correction):

By regulatorI must say I purchased this book partially on a whim. I had about a week before my GMAT, and I still felt unprepared for the verbal section. From my previous practice tests (GMATPrep tests), I realized I was getting a pretty high number of sentence correction questions wrong. From reading various posts on different forums, I decided that purchasing this

MGMAT book would be a good way to address this weakness I had. Furthermore, it would give me access to 5 more full length practice exams (+ the one free CAT exam on their website). I took the free practice test on the same day I ordered from . Since I only had about a week left before my test, I paid for expedited shipping and received the book promptly. I quickly read through the first few chapters, and made mental notes on topics that were unfamiliar to me. The book is laid out exceptionally well, and has a good set of practice questions that I also worked on. With access to the full length practice exams, I took a couple more during the last few days before my exam. I have to say, the MGMAT practice exams were awesome. The Quant section was noticeably harder than the GMATPrep tests (and also the actual GMAT), but the breakdowns and analysis they offer as you're going through the questions you got wrong are invaluable. This book really helped me go over the edge. I went from a V39 during my first MGMAT practice test to a V51 on the actual GMAT. I'd highly recommend this book to anyone struggling with the SC section of the GMAT. 5 out of 5 stars0 of 0 people found the following review helpful. Good and Widely Acclaimed GuideBy Himanshu MishraI scored well enough on GMAT to gain entrance into a premier Business School, and this was my ONLY source of guidance for the Sentence Correction ! If this is not a testimony - I don't know what would be :-)

I did not attend any prep courses and just by merely studying these books, I got a 780! And on a separate note, I got a 5 on AWA. Do not get me wrong, I was never a fantastic undergraduate. My GPA was only about 3.4. Thanks to the Manhattan GMAT books which saved me a lot of money (I repeat I did not spend on prep courses), I can now apply for the top MBA programs with confidence! \*I bought all 8 books but am only writing it here because I do not want to duplicate.

The Sentence Correction Guide takes the guesswork out of grammar by presenting every major grammatical principle and minor grammatical point tested on the GMAT. Don't be caught relying only on your ear; master the rules for correcting every GMAT sentence. Each chapter builds comprehensive content understanding by providing rules, strategies, and in-depth examples of how the GMAT tests a given topic and how you can respond accurately and quickly. The Guide contains a total of 187 "In-Action" problems of increasing difficulty with detailed answer explanations. The content of the book is aligned to the latest Official Guides from GMAC (12th edition). Purchase of this book includes one year of access to Manhattan GMAT's online practice exams and Sentence Correction question bank.
