**Manhattan GMAT : Sentence Correction GMAT Strategy Guide, 5th Edition (Manhattan GMAT Preparation Guide: Sentence Correction)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sentence Correction GMAT Strategy Guide, 5th Edition (Manhattan GMAT Preparation Guide: Sentence Correction):

More than enough to get you past a 48 on Verbal if the SC is holding you back, but a perfect may still require the SC bible.Honestly, if you need the advanced stuff and anything past the first few chapters you are going to do great on the SC portion of the verbal. At some point though, I did realize that meaning and those basic few things - parallelism, verb tense, logical flow, etc. were the keys to getting 80-90% of the

SC...That last few percent is a lot of work for not much return. CR book is also off the charts and saved my posterior!

By Alberto Facelli  
When I approached the GMAT I read that the Manhattan set was "the most comprehensive material" on the subject. However, since I barely had a month to prepare before the exam, I wanted something quick, not comprehensive. So, I thought, let's get the Manhattan book only for the subject (sentence correction) in which I feel weaker. I was surprised by how well thought this book is and went for more, using the almost whole set. My advice is: if you are smart and busy the Manhattan set is for you. Do not be intimidated by the amount of material, you can use it even if you only have 3 weeks to prepare for the exam. Final note: the Kindle edition, which I purchased, was decently (although not perfectly) formatted and well readable.

I am a non-native studying for the GMAT. I found on this book a great summarized and very concise manner to consolidate my Verbal knowledge. I don't use it as the main material for my studying, I use it as a complement. It also comes with 6 CAT tests!

Considered the gold-standard in GMAT test prep, Manhattan GMAT's ten strategy guides are the first books on the market to be aligned with the GMAC Official Guide, 2015 and 13th Editions. Fully updated and revised to deal with recent changes to the GMAT, they were designed with a content-based approach. The industry-leading Sentence Correction Guide delves into every major principle and minor subtlety of grammar tested on the GMAT. From its comprehensive list of GMAT-specific idioms to its tailored coverage of topics such as pronouns and parallelism, this guide teaches exactly what students need for GMAT Sentence Correction and nothing that they don't. Unlike other guides that attempt to convey everything in a single tome, the Sentence Correction Strategy Guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth. Used by itself or with other Manhattan GMAT Strategy Guides, the Sentence Correction Guide will help students develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT. Purchase of this book includes one year of access to Manhattan GMAT's online computer-adaptive practice exams and Sentence Correction Question Bank. All of Manhattan Preps GMAT Strategy Guides are aligned with both the 2015 Edition and 13th Edition GMAC Official Guide.
