Barbara Ganim : Setting the Right Price for Your Design Illustration before purchasing it in order to gage whether or not it would be worth my time, and all praised Setting the Right Price for Your Design Illustration:

0 of 0 people found the following review helpful. Good bookBy LaDonna Hurstthis was a great buy for me and an addition to any designers library. Always little snippets in the strangest places for learning all you can about the career field of graphic Design.0 of 0 people found the following review helpful. Great Pricing PrimerBy SHAHID GThis was one of the best books on pricing design work I've seen.Full of practical tips, rather than theory, in a simple outline format. Too bad there's not a more current edition.

Book by Ganim, Barbara
