Sarah Thornton : Seven Days in the Art World before purchasing it in order to gage whether or not it would be worth my time, and all praised Seven Days in the Art World:

"An indelible portrait of a peculiar society." Vogue Sarah Thornton's vivid ethnography an international hit, now available in twenty translations reveals the inner workings of the sophisticated subcultures that make up the

contemporary art world. In a series of day-in-the-life narratives set in New York, Los Angeles, London, Basel, Venice, and Tokyo, *Seven Days in the Art World* explores the dynamics of creativity, taste, status, money, and the search for meaning in life. 8 illustrations
