Alexander Schmidt : Shakespeare-lexicon. A complete dictionary of all the English words, phrases and constructions in the works of the poet before purchasing it in order to gage whether or not it would be worth my time, and all praised Shakespeare-lexicon. A complete dictionary of all the English words, phrases and constructions in the works of the poet:

0 of 0 people found the following review helpful. WORTHLESS. DO NOT BUY.By TannerDO NOT BUY. I wish I could give it 0 stars. The printing is horrible and it only goes A-part of L. Not a complete lexicon. NOT EVEN A COMPLETE HALF. WASTE OF MONEY

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

About the Author Alexander Schmidt, Dr. Phil. (2005), Friedrich-Schiller-University Jena, is Research Fellow at the Sonderforschungsbereich 482 at the University of Jena.
